

EECH-PIRS 2026

Poster Presentation Schedule and Guidelines

*International Conference on Emerging Environmental Challenges Jeopardizing Public Health:
Policy Interventions for Resilient Societies*

28–30 October 2026

“Healthy environment, healthy people, resilient future”

Department of Environmental Science, Central University of South Bihar (CUSB), Gaya

Guidelines for Poster Presentation:

1) The poster size is **90 cm wide by 120 cm high.**

Feet:

* Width: **2.95 feet** (approx. 2 feet 11.4 inches)

* Height: **3.94 feet** (approx. 3 feet 11.2 inches)

2) Poster must be prepared as per the format attached in the ppt file and the size is already set there.

3) You can make slight changes as per your requirement, but the Font, size, logo, theme, and headings must not be changed.

4) Please carefully mention your **Poster ID and respective theme in your poster (as per the list below)** for evaluation.

4) Text and Figures must be properly visible.

5) **Poster Printing:** The poster must be printed in the **requisite format and specified size on high-quality glossy flex (premium photo-quality/star-flex) sheet** to ensure **clear images, sharp text, and vibrant colour reproduction.** The presenter must bring the printed poster to the event. **Poster stands and pasting materials will be provided at the venue.**

6) Poster needed to be pasted from 10 Am onwards and evaluation will be done on the respective time mentioned below in the list by the expert jury members.

7) All Poster presenters need to be present during the poster session for discussion with fellow participants, experts and jury members.

8) **Jury evaluation:** Presentations will be evaluated for **Category 1 presenters (Students (UG/PG); Research Scholars/ PhD Scholars; Postdoctoral Fellows / Post-Ph.D. / Research Associates)** only by the jury. Best oral presentation(s) will be recognized/awarded for the above-said category by the Organizing Committee.
